Hi Cameron,

As you know, we are moving to a new Country Network website. As part of the process, we need to move your details to the new website and add some details to set up your new profile.

You have been invited to join the new member-only space at <https://countrynetwork.com.au>.

All you need to do is:

1. Click on the following link: [Click Here](#) to accept and purchase
2. Check your details are correct and update them if required.
3. Add a password of your choice.
4. Check the box to agree to the Country Network Terms and Conditions.
5. Click 'accept invitation'.

If you have not yet paid your 2022 membership fees, you will be asked to enter your payment details to complete the process.

The next stage will allow you to update your profile with as much or as little information as you wish. This is the information you share with other members. We recommend adding as much information as possible to help you network and connect with other members. This can also be updated or changed via the 'Your Account' section of the website.
